E-COMMERCE GROWTH

Retailing migrating from shops to online.

¹Source: Center for retail research. The figures on this graph relate to retail sales only, excluding hospitality/restaurants, tickets, vacations and vehicle fuel, and hence may differ from estimates based on a wider definition of ecommerce. By 'retail sales' we mean the sale of goods to the final consumer. U.S. totals have been adjusted to bring them into line with our definition of retail sales – excluding vehicle fuel, auto sales and prepared food sales (hospitality).

5G GROWTH

More mobile devices, consuming more data, requiring more digital infrastructure.

OPTIMISTIC MANAGEMENT OUTLOOK

Data Centres

“2024 was a remarkable year for Digital Realty, with record leasing driving impressive growth in our revenue backlog and providing compelling visibility into our accelerating earnings growth.”

Andy Power, President and CEO of Digital Realty, Q4 2024

Logistics

“... over the long term, limited new supply and high construction costs support continued rent growth. We're confident in the strength and resilience of our business.”

Hamid R. Moghadam, CEO and Co-Founder of Prologis, Q4 2024

Cell Towers

“Carrier activity levels in the US continued to grow and we finished 2024 with our highest backlogs of the year for both leasing and services, setting us up well for continued momentum in 2025.”

Brendan Cavanagh, President and Chief Executive Officer of SBA Communications Corporation, Q4 2024

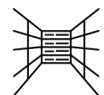

Networks

“We look forward to the ability to monetize additional parts of our unleased IPv4 address inventory, our dark fiber footprint and our excess data center space on a wholesale basis, either with direct sales or long-term leases over the next year or so.”

David Schaeffer, Founder, Chairman, Chief Executive Officer & President of Cogent Communications Holdings, Q4 2024
